

# Gas Engine Drive

## Four Wheel Series

OLD VALUES. NEW IDEAS.

Excellent mobility  
with more than  
enough power  
to clean.

## VERSATILITY, POWER AND MOBILITY

Alkota's versatile Gas Powered X4 Series combines the ability to go anywhere with the horsepower to take on difficult jobs. You don't need to sacrifice power for mobility – the rugged X4 Series makes it happen.

## GAS ENGINE - BELT DRIVEN OIL BATH PUMPS

- Engineered with oil bath pumps designed for rugged use
- Easy access controls
- Precise chemical metering, stainless steel float tanks and rotary on/off switches
- Pressure atomizing burner coupled with a cold water wrap coil provides a highly efficient heating system
- Perfect for hog and poultry producers, construction sites, salvage yards and any other location where power isn't readily available

## TAKE YOUR PICK

- Choose from 4 different efficient X4 models
- Automatic ignition standard
- Motors range from 7HP to 13HP
- All models available in X4 Series with stainless steel
- All models belt-driven
